## Tabled motions

The following motions were brought up at the December council meeting and are planned to be voted upon at the January council meeting.

**Whereas** the Virgil S. Hicks, Jr. scholarship was established to encourage young parishioners to expand their intellectual pursuits (or something from the tri-fold or application form), and

**Whereas** the costs of education are ever increasing,

**Be it resolved** that the Joseph M. Johnson council will increase the annual amount available for the scholarship from \$1,000 to \$2,000.

**Whereas** the Scholarship committee should be entrusted to return the best value to the parishes for the monies entrusted to their care,

**Be it resolved** that the Virgil S. Hicks scholarship will change its awards to be one-time awards -- not spread over four years. Additionally, be it resolved that the amount (not to exceed \$2,000) may be split among one or more recipients at the discretion of the Scholarship committee.

Note: All previous Scholarship awards will be honored per our previous methodology (i.e. 250.00 per year for four years).
